Gifts for Graduates

We had a great weekend of celebrating with graduates last week! Though the graduates are still at home, there is a real sense of upcoming change already in the air. While you continue to enjoy the graduation season, be eager to connect with your spouse right now, too.

1. Reserve a night in the next three weeks at a hotel or a bed and breakfast for the two of you. Take an afternoon, night, and morning just for yourselves, for the sake of your marriage. Remind each other that you are each other's priority.

2. Begin reading a book or listening to an audiobook specifically designed to direct your marriage in a positive direction. A book that calls for some interaction between you would be especially good. Consider *10 Great Dates* or *10 Great Dates for Empty Nesters*.

3. Begin a new hobby or habit that involves both of you. Join a gym/workout club. Start walking together every day. If you need some help coming up with something, ask us about the Recreational inventory from William Harley.

4. If you aren't already, start dating each other. Richard spoke to a group of preachers at OC recently about "Married to the Preacher's Wife." Afterward, Stafford North from OC and Memorial Road emailed about how long ago he and Jo Anne set aside Friday night for them to do something together.

5. Make plans to come to the Couple's Retreat. We will be announcing a date soon! That's right! Look for more information coming soon!

A great gift for your high school graduate is the security of knowing that Mom and Dad are going to be great together. Looking at your family of origin and seeing a rock solid foundation there, gives a young person leaving home a real sense of stability and strength.

Richard and JeannaLynn

New (Part 2)

It's been a couple of weeks since (part 1) made its debut so let's have a short recap. I mentioned that in 1953 Chevrolet unveiled the Corvette and turned the automotive world on its head. The '53 roadster was not much different than the regular sedans Chevy had been manufacturing but the styling set it over the top. It was a brand new idea and like most new things it was hot. People could not get enough of it and they lined up to get one. Sadly and predictably, the '53 Corvette lost some of its luster. The 1954 and '55 models didn't improve much and sat in dealerships for months and years waiting to be bought. There was no growth, no consideration of real improvements.

So you're a Christian, you took that step, did something radical, life-changing. It was new and exciting, you had a gleam about you, the trees were fuller, the grass was greener, the birds sang prettier – but something happened along the way. The new wore off; maybe you got a couple dings in your fender, or a couple of scratches that faded your shine. What happened? Did you think to keep moving forward in your new relationship? Did you forget to think about continuing to grow, to improve your relationship with Christ? Are you a 1954

Corvette – making a lackadaisical effort to keep up with your Christianity? I hope not, but it's an easy trap to settle into. You don't even really fall into it, you just relax into it. You forgot to keep moving so you sank in the mud. It is easy to do, but you can get out of it. 1956 is coming; things can become new again.

Colossians 3.8-10

Perry's Scope

Some Shining Stars

You may have noticed that certain people in the section where you sit during worship are wearing silver stars on their lapels. No, they have not been promoted to "General." Neither have they been in serious combat. The stars designate them as "Section Leaders."

Our Section Leaders are playing a significant role in welcoming our members and guests to worship. They are to greet everyone in their section and make them feel at home. They have an eye out for special needs of our members as well as a special welcome to our guests. We want to be sure that everyone attending our services know that they are welcome and that we are grateful for their presence.

Our current Section Leaders are: Billy and Barbara Woods; Nick and Shirley Kelly; Don and Dorothy Taylor; Britt and Jennie Lockhart; Clint and Debora Snyder; Carl and Donna Sterling; Evelyn Hughes; Florine Jones; Joe and Amy Ritchal. I personally want to thank each of our Section Leaders for stepping up to the plate and making each of us feel special.

Keep The Light Burning!

Ministry Spotlight

Building and Grounds

Deacons – Tom Rackley and Garry Harrison
Elder – Ken Davidson

Don't you enjoy coming to Bible Class and Worship, being warm in the winter and cool in the summer? Don't you enjoy having a clean, attractive facility to use as a base for Ministry? Many hours go into the upkeep of our facilities. The Building and Grounds Ministry ensures the cleanliness of the building for each service (Thanks, Travis!). They keep the building and equipment in "like new" condition both inside and out. They make sure the landscaping is well-groomed all year, as well as the maintenance of the parking lot. Their mission is not an end in itself. It is to give us a facility that will serve as a base for all of our Ministries. It is a special luxury that we may easily take for granted.
